

# Track and Celebrate Your Skills

We've created a checklist for you to keep track of which workshops you've completed. Keep others updated with your progress by:

- Posting your checklist on social media and urging your peers to join you in this work.
- Posting your checklist on LinkedIn to demonstrate your commitment to organizing and the skills you've gained.
- Comparing your checklist with others in your Students Demand Action group or with whom you organize.

Here's the training roadmap!
